For nearly all of my three weeks in Nepal, Govinda was my host, teacher, guide, friend, and caretaker. He showed me the beauty of his country and its people; he interpreted not only a language, but a ... - Mary Beth Conlee, USA Home About Us Our Services Latest News Photo Gallery Videos Volunteers Testimonials Partners Contact us Join / Follow MVEF Facebook Twitter Google Plus You Tube Mountain View Eco Farm Pachhaviya, Dhakaldanda Leknath à 11, Kaski, Nepal Contact No.: 977 9856030018 Email: mvef.org.np@gmail.com

11:49:29 PM **Hisako P** Is this your site?

11:50:21 PM **narayan thapa** yes, that is mine, but why it is displaying errors here to me ?

11:50:42 PM **Hisako P** Unfortunately, without being able to replicate the live error there is no for-sure way for me to look into what the cause was, Narayan. My apologies

11:50:48 PM **narayan thapa** All other sites are working fine, but errors on these domains ?

11:51:42 PM **Hisako P** I'm not seeing any errors on these sites currently, Narayan.

11:51:46 PM **Hisako P** They're loading just fine for me.

11:51:47 PM **narayan thapa** possibly dns issues ??

11:52:28 PM **Hisako P** I doubt it, otherwise I would have seen the error too

11:53:31 PM **narayan thapa** possibly that is working on your end ? I mean in your network only ? as it is not working here in Nepal with any ISP's connection and in Korea(where client lives) as well.

11:56:34 PM **Hisako P** when you go to kproxy.com

11:56:38 PM **Hisako P** and enter your 3 sites one by one and look

11:56:40 PM **Hisako P** what do you see?

11:57:12 PM **narayan thapa** it has errors through kproxy as well, I have attached screenshots in ticket

11:57:29 PM **narayan thapa** sometime it works and another time displays error..

12:00:37 AM **Hisako P** it might be that your ISP is blocking your connection yes

12:00:45 AM **Hisako P** www.hostgator.com/ip <- go there and provide me your IP please

12:01:42 AM **narayan thapa** I don't think so, otherwise it shouldn't working all the time.

12:01:53 AM **narayan thapa** though, my ip is: 116.90.235.18

12:02:33 AM **narayan thapa** also, it has same problem with all browsers and in all ISPs network, and same in Korea, how it is possible to be blocked ?

12:04:32 AM **Hisako P** Found it

12:04:32 AM **Hisako P** [!] IP Found to be ratelimited by the firewall 376 times! An Admin will need to investigate. Please create a ticket for the customer.

12:04:33 AM **Hisako P** I'm going to go ahead and create a ticket for you so we can get some specialists working on this for you, as this is out of my scope of support for chat support. I will provide you with the ticket ID when I have finished creating the ticket.

12:05:24 AM **narayan thapa** Please, it will be a great help if resolved. I am in a big trouble due to this.

12:07:30 AM **Hisako P** IJA-39402625 <- That is your Ticket ID. Please keep an eye on the (primary) email address for this account you verified with me - for correspondence from our ticket-admin-team as they work on this ratelimiting for yo

12:07:35 AM **Hisako P** Is there anything else I can assist you with today while you're still in the chat with me, Narayan?

12:08:12 AM **narayan thapa** This is the only issue at this time Hisako,

12:08:20 AM **Hisako P** Alrighty!

12:08:23 AM **Hisako P** It's been a pleasure assisting you today, Narayan!

12:08:38 AM **Hisako P** Please click the button that says "Rate and Exit" in the upper right hand corner. It goes to a brief survey that is about 2 questions regarding your assistance today. It'd be greatly appreciated!

12:08:52 AM **Hisako P** If you need us again - we're a few clicks away!

12:08:53 AM **narayan thapa** Will be waiting to be resolved this issue, thanks

12:09:28 AM **Hisako P** Sounds good!

12:09:29 AM **Hisako P** You are very welcome!
